ATLAS PEAK AVA CABERNET
SAUVIGNON

NAPA VALLEY, CALIFORNIA, USA

Wine&Spirits

94
POINTS

"Purple-fruit tanginess lends this wine freshness, as do the volcanic edges of the tannins. The fruit tastes like small wild red berries, with herbal notes of summer savory and tarragon. Sleek and grand, with cleanness and clarity to the flavors, this is an elegant mountain-grown cabernet to serve with roast leg of lamb with rosemary."
