IRONSTONE RESERVE CHARDONNAY

SIERRA FOOTHILLS, CALIFORNIA, USA

POINTS

WINEENTHUSIAST

"Initial aromas are subtle on the nose of this wine. Lemon, lime, white stone fruits and lily of the valley are enveloped in a fresh mountain-air aura. The palate opens to a richer, fuller expression, layering on ripe yellow peach and apricot, milk and cream. It also conveys a hint of hazelnut and back-breath of cardamom, nutmeg and clove. The wine's full mouthfeel is well balanced by the acidity, which uplifts the fresher fruit components."
