

LUCAS & LEWELLEN ROSÉ OF PINOT NOIR 2023

Santa Barbara County, California

LUCAS & LEWELLEN

Estate Vineyards

TASTING NOTES: The aromas are complex with layers of fruity, flinty, and perfume-like qualities: strawberry, raspberry, and peach coupled with blossoms. The wine is extremely dry with crisp acidity and a luscious finish.

VITICULTURE: This Rosé of Pinot Noir is blended from grapes grown in the winery's Goodchild (Santa Maria Valley AVA) and Los Alamos vineyards (Santa Barbara County). Goodchild has soils that range from clay and gravel river deposits to hillside and hilltop sites. Originally planted from cuttings brought over from Europe over 40 years ago, Lucas & Lewellen's Los Alamos vineyard offers thick layers of clay and loam, coupled with a temperate climate.

VINIFICATION: This wine was made entirely with Pinot Noir (100%). After being harvested early in the morning, the grapes were crushed and soaked overnight in a stainless-steel tank. This process allows the color from the skins to tint the juice a marvelous pale, barely pink color.

FAMILY: Louis Lucas and Royce Lewellen were friends before they were ever business partners. One of their common interests was their love of Santa Barbara County. Louis had been a successful grape grower for many years, and had the reputation to match, while Royce was a judge and dreamer who imagined what Santa Barbara could be as a wine region. They banded together to create Lucas & Lewellen Wines. Today, Michael Lewellen, Royce's son, is the managing partner, making Lucas & Lewellen a second-generation family-owned winery. The Lucas & Lewellen vineyards have become legendary for lovers of premium wines from Santa Barbara County since 1975.

Santa Barbara's topography is unlike any other wine region. The east-west orientation of the mountain range forms a valley opening directly to the Pacific Ocean. That cool ocean breeze is a hallmark of the Santa Barbara climate, and one that Louis and Royce wanted to highlight in their wines. They acquired the three vineyards that have myriad microclimates, from cool Santa Maria Valley to moderate Los Alamos Valley, known for fresh and vibrant Pinot Noir and Chardonnay, to warmer Santa Ynez Valley, which produces stellar Sauvignon Blanc, Merlot and Cabernet Franc.

PRODUCER: Lucas & Lewellen

REGION: Santa Barbara County

GRAPE(S): 100% Pinot Noir

SKU: LLRO237

ALCOHOL: 13.1%

TOTAL ACIDITY: 6.3 G/L

RESIDUAL SUGAR: 0.2 G/L

pH: 3.28
