

GEYSER PEAK WALKING TREE CABERNET SAUVIGNON 2022

Alexander Valley, California

TASTING NOTES: A deep garnet with amethyst reflections in the glass. Expressive aromas of dark berry, cassis and white pepper give way to a palate full of luscious blueberry and blackberry with hints of toasted vanilla and leather. Refined tannins lead to a subtle spiciness that lingers on a long and elegant finish.

VITICULTURE: The 2022 vintage marks the 17th release of the Walking Tree Cabernet Sauvignon. The fruit for this wine is sourced from two excellent Alexander Valley vineyards. The different soils, exposures, and microclimates of these two vineyards adds enticing complexity of aromas and flavors to the finished wine.

VINIFICATION: Following traditional fermentation methods, the wine was aged for 20 months in French oak barrels. The Cabernet Sauvignon and Petit Verdot were fermented separately and expertly blended.

INTERESTING FACT: Ancient oak trees dot the landscape of Alexander Valley. Walking Tree takes its name from one of these majestic trees that remarkably “walked” down a steep grade of vineyard during heavy rains, all while remaining upright and very much alive.

FAMILY: Geyser Peak Winery has a long and storied history. Founded in 1880, it became the 29th bonded winery in California, and was named for the tremendous view of Geyser Peak Mountain directly outside the winery’s window. The brand has seen a storied past of over 140 years, founded by a local family, changing hands multiple times including management by corporate interests. Today, Geyser Peak has proudly returned to its roots as a family-owned-and-operated business, sourcing fruit from famed winegrowing regions of California. The essence of California terroir can be tasted throughout the range of Sauvignon Blanc, Chardonnay and Cabernet Sauvignon.
