

ANDRÉ BRUNEL CHATEAUNEUF- DU-PAPE LES CAILLOUX ROUGE 2022

Rhône Valley, France

TASTING NOTES: The 2022 harvest began unusually early, resulting in a rich and expressive wine that remains true to the character of our terroir. From the very whiff, this vintage reveals generous aromas of ripe, jammy fruits. On the palate, it is ample and silky, supported by supple, nuanced tannins. The finish is long and lingering, with refined spicy notes that bring depth and complexity. Enjoyable now for its brilliance and indulgence, this wine also holds the promise of graceful aging over the years.

VITICULTURE: The area is composed of multiple plots, each with their own distinct characteristics that give this wine its complexity. The gravel beds of Bois de la Ville and Les Serres have perfect drainage, bringing a great concentration of flavor to the grapes. Farguerol and Cansaud are known for red and blue clay soil, which leads to the rich aromatics in the nose and on the palate. The grapes from the Cabrières and Reves vineyards are grown in the chalky, limestone soil that brings an overall structure and long finish.

VINIFICATION: The grapes were fully destemmed, except the last week when the stems are mature and provide extra tannins. After fermentation, the Syrah was aged between 12- 18 months in 1-2-year-old Burgundian oak. The Mourvèdre and Grenache were co-fermented and aged in concrete vats. The blend was made once the Syrah finished aging, and then bottling took place 3-6 months after blending. After bottling, the wine rested three months before its release.

FAMILY: One of Châteauneuf's most revered estates is centuries-old André Brunel, who has been in the region since the 17th century and has been making wine for five generations. Though originally named Domaine Les Cailloux by Lucien Brunel in 1954, its current name is after the fourth-generation owner, André Brunel. Under André's leadership, the estate expanded rapidly, with vines in the Côtes du Rhône AOC as well as Vins de Pays. In 1971, after André took over, he launched Grenache-dominant Cuvée Centenaire, the estate's top wine, which solidified André Brunel as a major player in Châteauneuf-du-Pape. In addition, the family is leading the charge in the region for eco-friendly farming practices, eschewing chemicals at every turn. André's son, Fabrice, is now at the helm of this pioneering estate, overseeing their three appellations.
